Public Comment

Richard Reniere, Moderator, discussed the Annual Meeting to be held on March 26th. He said that a person must be a resident of the Precinct to vote on the Precinct warrant articles. You can register to vote on March 20th from 11:00 a.m. to 11:30 a.m. and also the night of the annual meeting until 7:00 p.m.

Mr. Reniere then asked if any proposal has been made regarding the memorandum of understanding for this building. Commissioner Rage replied that a warrant article will be put forth. It will be posted soon.

Mr. Reniere asked what the purpose was for the review of classification of Precinct property.

Jerry Znoj, Selectman, said he would discuss this. First, however, he wanted to discuss the recycling effort. Bill Lally has formed a committee to address this recycling effort and the impact on the beach. There is concern that the summer population must be made aware of the recycling effort. It will be necessary to have a plan in place. Commissioner Rage said he would like to serve on that committee.

Commissioner White brought up the problem of the trash not being picked up in some areas because the recycling was not done. Chairman Kubik said that this is not good for businesses. Mr. Znoj said they are working on this problem.

Mr. Znoj addressed the business of identifying or validating what are thought to be the single-family residences in the Precinct for the purpose of exemptions. Commissioner Rage said in the past people applied through the Commissioners who then decided if it was a single-family residence. Mr. Znoj said a referendum might need to be taken that shows the Precinct accepts the terms of what is stated and then there must be a meeting to take a vote. Commissioner Rage said he would talk to some past Commissioners and the Precinct attorney about this. Mr. Znoj suggested the Commissioners contact Town Manager Fred Welch for more clarification.

Chairman Kubik asked Mr. Znoj if the Selectmen had received a response from the Precinct attorney regarding the Memorandum of Understanding. Mr. Znoj said it had been received. Mr. Znoj said a meeting should be set up to resolve this before the Precinct annual meeting.
